**Author: Christopher Feuchter**

## Problem Statement

- The Philadelphia Phillies are struggling to achieve consistent success despite spending billions of dollars of high-profile players.

Who is experiencing the problem?

- The whole city of Philadelphia and fans of the Philadelphia Phillies experience this problem as it becomes a struggle to support a team who comes up short year after year after getting everybody's hopes up.

What is the Problem?

- The problem is that the Phillies are picking up huge names like Bryce Harper and Trea Turner but although they are useful the baseball team is lacking in other important aspects such as pitching and having a full out solid rotation.
